With My Own Eyes Bo Giertz, Bror Erickson, 2017-06-30 Bo Giertz wrote this book drawing upon the exegetical insights that he received from his mentor Anton Fridrichsen before, during and after his trip to Palestine in the early 1930's. The book is a third-person retelling of the gospels that brings into account various Old Testament references and the contemporary interpretations of those passages by the Jews of Jesus' day as well as contemporary events throughout the Roman Empire, but most especially those directly affecting the Jewish people of Israel at the time, so that the gospel stories take on new life and meaning for the reader. It's both a harmonization of the gospels, and a commentary on them, but much richer. The perspectives change depending on the episode. Sometimes the perspective is from that of a disciple, sometimes from that of a person being healed or a bystander observing. The Christmas story is told from the perspective of Shepherds, the crucifixion scene dwells on the perspective of Simon of Cyrene.

Through My Own Eyes Susan D. Holloway, Marylee Rambaud, Costanza Eggers-Pirola, 2001-12-21 Shirl is a single mother who urges her son's baby-sitter to swat him when he misbehaves. Helena went back to work to get off welfare, then quit to be with her small daughter. Kathy was making good money but got into cocaine and had to give up her two-year-old son during her rehabilitation. Pundits, politicians, and social critics have plenty to say about such women and their behavior. But in this book, for the first time, we hear what these women have to say for themselves. An eye-opening--and heart-rending--account from the front lines of poverty, *Through My Own Eyes* offers a firsthand look at how single mothers with the slimmest of resources manage from day to day. We witness their struggles to balance work and motherhood and watch as they negotiate a bewildering maze of child-care and social agencies. For three years the authors followed the lives of fourteen women from poor Boston neighborhoods, all of whom had young children and had been receiving welfare intermittently. We learn how these women keep their families on firm footing and try--frequently in vain--to gain ground. We hear how they find child-care and what they expect from it, as well as what the childcare providers have to say about serving low-income families. Holloway and Fuller view these lives in the context of family policy issues touching on the disintegration of inner cities, welfare reform, early childhood and pro-choice poverty programs.

The Book of Seeing with One's Own Eyes Sharon Doubiago, 1988 Nine stories focus on the psychological distance

between men and women in modern American society.

Through My Own Eyes Theodore Isaac Rubin, 1982

With My Own Eyes Jacob Katz, 1995 In this lovely and moving memoir, the world's most distinguished scholar of Jewish social history recalls a life that in many ways encapsulates the arduous path of the remnant of East European Jewry through the cataclysmic events of this century. After a childhood in the crumbling Hapsburg Empire, Jacob Katz left his native Hungary to attend the famous Yeshiva of Pressburg. He later entered the University of Frankfurt, where in 1934 he received the last doctorate granted to a Jew in Nazi Germany. Heeding ominous undercurrents, Katz immigrated to Palestine-Israel in 1936. There he witnessed the birth of the new state and the growth of the prestigious Hebrew University. *With My Own Eyes*, guided by the hand and eye of the consummate historian, poignantly recreates the atmosphere of the period in which the author has lived.

With My Own Eyes Chrissy Cooper, 2007 Here I am sitting in my bed, wondering if I should write a book about my life, wondering if I had made the right choices in my life. Sometimes I ask myself: Where would I be or more likely what type of things would I be doing if I had stayed in France? Not because of my choices but when your name is Karima Zarouali, the doors to reality shut in front of you rather than open for opportunities. At this point it's like, should I change my name? Would it be easier for me to book hotels? Could I get a job easily? Well I'm a chef and you would think that getting a job would be easy at any time in France but believe me it wasn't the case so I decided to construct my life around London. Somehow I got stuck between the two countries. France is such a beautiful country with fine food and the air is purified (not in Paris obviously), I call it the breeze and London is the land of opportunity. London is fast and furious; I got caught with their way of living. How would I be living if I had a good childhood? Does it mean I will grow up towards a bad adulthood? What would have happened if I had stayed in France? This book has been my project for quite a while but I wasn't ready and now I feel that the time has come for me to reveal my life to certain persons who would understand better where I am coming from, why I am the way that I am, my temperament, my strengths and weaknesses. Let's begin by where it all began.

With Thine Own Eyes Ronald Tomanio, Diane Iverson, Phyllis Edgerly Ring, 2015-09-07 In this wonderfully practical and human book, we are invited to turn our attention towards investigating our spiritual reality. Ronald Tomanio, Diane Iverson and Phyllis Ring describe how that experience is met and encountered and why it is indescribably fulfilling - the very purpose for which we were created. Drawing on a letter of the Universal House of Justice of 19 November 1974 that provides a possible sequence that such an investigation of reality might follow, the authors explore the process - and pitfalls - that we can encounter along the way. Some of the steps identified by the authors that can guide the soul safely along the road of development include: * setting aside blind imitation of the past * learning to build the good rather than fighting evil * choosing acts of service commensurate with our spiritual understanding * listening carefully to our intuitive voice * knowing

our purpose * regarding our fears as illusory and * acquiring a sin-covering eye.

A Covenant with My Eyes Bob Sorge, 2013 If you want to strengthen your sexual consecration before the Lord Jesus, this book is for you. An eye covenant is a grace-empowered tool that has the potential to help you gain victory over lust like nothing else you've ever considered. Get ready for a unique book that is apprehending, prudent, and empowering. Based on Bob's own experience with Job 31:1, this book extends an invitation to actually make a covenant vow before God with our eyes. Written for all ages, men and women alike, this book excavates from the ancient spirituality of the book of Job the master key to consecration and illuminates its relevance to us today. The careful writing style will make you feel safe recommending this book even to teens.

With My Own Eyes Brent C. Dickerson, 2018-04-13 Five lively firsthand accounts of real life in the exciting pre-Yankee era of California's rich history are offered in this book four of them world premiere publications, and all of them new and complete translations. This was an era not only of political intrigues and sectional clashes but also of upheaval as new ideas and attitudes came to a conservative Californian society. Piracy, kidnapping, lust, Indian uprisings, and scenes of battle all vie for the readers attention with fascinating passages about everyday life in the missions and presidios, governmental offices, and barracks. Governors are ejected, invaders fought, revolts arise, and plots hatched. While largely centered in Southern California, these accounts also bring us north to the Bay area and south to Baja California and farther. The reader of these memoirs will enjoy an intimate experience of life as it really was a personal view not to be found in standard textbooks. As before with the authors previous foray into California history, Narciso Botellos Annals 1833-1847, the original manuscripts are rendered into a spirited English translation, capturing the nuances and vigor of these adventures in a land so familiar yet so exotic.

With My Own Eyes Susan Bordeaux Bettelyoun, Josephine Waggoner, 1999-08-01 With My Own Eyes tells the history of the nineteenth-century Lakotas. Susan Bordeaux Bettelyoun (1857-1945), the daughter of a French-American fur trader and

a Brulé Lakota woman, was raised near Fort Laramie and experienced firsthand the often devastating changes forced on the Lakotas. As Bettelyoun grew older, she became increasingly dissatisfied with the way her people's history was being represented by non-Natives. *With My Own Eyes* represents her attempt to correct misconceptions about Lakota history. Bettelyoun's narrative was recorded during the 1930s by another Lakota historian, Josephine Waggoner. This detailed, insightful account of Lakota history was never previously published.

(With My Own Eyes) Larry McCarthy, 2014-08-22 The time of people of this world is moving very fast. So when there's time to read something Author Larry McCarthy doesn't want to waste your time or his. When taking time to read, it is like taking time to see the things we've seen, the things we've experienced, and the things we've hoped for. This book by Larry McCarthy is a great pathway to our life and his. This book puts light on things people have seen, experienced, and hoped for in our lives and his. It's nice that he knows what he writes about, his empathy of his own life, and his empathy of what others also have gone through, and may these words show by us reading, living, remembering. We have seen it "all" (with our own eyes).

With My Own Eyes Paco Vázquez, 2019-09-19 A decade of traveling, anecdotes, challenges and life experiences across seven different countries. \With my own eyes\ is not simply a guide for globetrotters or a tool to learn about other cultures and other perspectives on life, but it also aims to motivate all those reluctant to change the course of their lives and move away from their comfort zone by defying the limits we impose on ourselves. A narration that will hook the reader from the start and awaken their adventurous spirit by pointing out that another way of looking at life is possible.

With My Own Eyes Janet Ferguson, 2015-09-23 Jennica Marie Ferguson lost her eyes to cancer in infancy, the left at two months, the right a year later. Not satisfied with taking her eyes, the relentless cancer eventually took Jennica's life when she was eighteen years old. A strong young tree, chopped down before its time ... Cara Forsyth describes her cousin in her poignant poem August Afternoon. *With My Own Eyes* is the story of Jennica's journey through her eighteen years of life on earth, years remarkable for their normalcy in spite of the great challenge. Strengthened by a steadfast faith in God, Jennica embraced life and lived it fully. She did all the things considered normal for sighted children ... routine childhood things like dressing, eating, playing, going to school. She learned to read and write on pace with her peers. Her twin brother, Aaron, was an excellent bench mark ... they grew together, as equals. Jennica grew, and she excelled. She traveled unaccompanied on public busses and airplanes. She mentored other blind children, some of them older than she. At eleven she addressed the Ohio Senate, presenting a persuasive case for passage of a Braille Bill that would fund and promote the use of Braille. The bill was passed in Ohio as well as several other states. Considered blind in the traditional sense, Jennica was anything but. She saw with eyes most of us can't understand ... unique eyes ... God-given eyes ... her own eyes.

I am 'DRAUPADI' – Me through My own eyes Saurabh Khanna, 2018-02-23 We are human and respectable creations of God, be it women or any other gender, we have the fundamental right to dignity - says the author in his plea to be heard and recognised as he speaks as 'Draupadi'. He speaks straight from the heart of Draupadi with an aim to share with everyone the torment and anguish that Draupadi and alike undergo every day and that every human being has the right to respect, freedom, happiness and the right to his or her opinion and point of view. But, is it possible in this male-dominated world? This is a question that is explored in this book and explained in a simple and contemporary fashion. The Author, who is himself a male, describes beautifully the pain of a woman and alike.

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Hammer of God Bo Giertz, 2005 A classic Swedish novel about love, faith and spiritual renewal told in the form of a mystery novel.

Not Yet Married Marshall Segal, 2017-06-20 Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you the one, but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.
