Things Fall Apart Chinua Achebe,1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Flipped Wendelin Van Draanen,2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: “My Bryce. Still walking around with my first kiss.” He says: “It’s been six years of strategic avoidance and social discomfort.” But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there’s maybe more to Juli than meets the eye, she’s thinking that he’s not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of Flipped, on why she’ll never write a sequel, and a selection of the amazing fan mail she’s received. Awards and accolades for Flipped: SLJ Top 100 Children’s Novels of all time IRA-CBC Children’s Choice IRA Teacher’s Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal “We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending.” — The Chicago

Tribune “Van Draanen has another winner in this eighth-grade ‘he-said, she-said’ romance. A fast, funny, egg-celent winner.” — SLJ, Starred review “With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts.” —Publishers Weekly, Starred review

One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: Who are you? and Where does the world come from? From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

Feed M. T. Anderson,2010-05-11 Identity crises, consumerism, and star-crossed teenage love in a futuristic society where people connect to the Internet via feeds implanted in their brains. Winner of the LA Times Book Prize. For Titus and his friends, it started out like any ordinary trip to the moon - a chance to party during spring break and play around with some stupid low-grav at the Ricochet Lounge. But that was before the crazy hacker caused all their feeds to malfunction, sending them to the hospital to lie around with nothing inside their heads for days. And it was before Titus met Violet, a beautiful, brainy teenage girl who knows something about what it's like to live without the feed-and about resisting its

omnipresent ability to categorize human thoughts and desires. Following in the footsteps of George Orwell, Anthony Burgess, and Kurt Vonnegut, Jr., M. T. Anderson has created a brave new world - and a hilarious new lingo - sure to appeal to anyone who appreciates smart satire, futuristic fiction laced with humor, or any story featuring skin lesions as a fashion statement.

Manufacturing Insanity - Vol. 1 - Creating Truth / When Darkness Falls Eva Moser,2013-06-01 The treatment of transsexuals turns medicine into a system of well organised prejudice, cruelty and mistreatment. Patients are abused while the perpetrators are convinced that this is necessary, good treatment! In volume I of Manufacturing Insanity Eva examines how it is possible that patients suffer and die while doctors watch in complete denial. Maybe this denial of patient's needs and rights, all the abuse and death is created by an inherent systemic inability of medicine to acknowledge just these needs? But doctors letting their patients suffer and die because they are incapable to accept their own shortcomings? That's insane! Well, maybe not! Because on her way through the jungle of medical history, politics, practice, self-understanding and the patient experience Eva finds that in the end this is all about sex, power and cultist beliefs! The one piece in the puzzle that is completely irrelevant is the emotional integrity of the individual patient! Welcome to Manufacturing Insanity!

Divided We Fall Alice M. Rivlin,Sheri Rivlin,Allan Rivlin,2022-10-04 Partisan warfare and gridlock in Washington threaten to squander America's opportunity to show the world that democracy can solve serious economic problems and ensure widely shared prosperity. Instead of working together to meet the challenges ahead—an aging work force, exploding inequality, climate change, rising debt—our elected leaders are sabotaging our economic future by blaming and demonizing each other in hopes of winning big in the next election. They are weakening America's capacity for world leadership and the case for democracy here and abroad. Alice M. Rivlin, with decades of experience in economic policy making, argues that proven economic policies could lead to sustainable American prosperity and opportunity for all, but crafting them requires the tough, time-consuming work of consensus building and bipartisan negotiation. In a divided country with shifting majorities, major

policies must have bipartisan buy-in and broad public support. Otherwise we will have either destabilizing swings in policy or total gridlock in the face of challenges looming at us. Rivlin believes that Americans can and must save our hyper-partisan politicians from themselves. She makes the case that on many practical economic issues the public is far less divided than partisan politicians and sensationalist media would have us believe. She draws attention to numerous hopeful efforts to bridge partisan and ideological divides in Washington, in state capitols and city governments, and communities around the country, and advocates a major national effort to enable citizens and future leaders to learn and practice the art of listening to each other and working together to find common ground. This book is a practical guide for Americans across the political spectrum who are agonizing over partisan warfare, incivility, and policy gridlock and looking for ways they can help to get our democratic policy process back on a constructive track before it is too late.

Love's Seasons & Blossoms, Love's Fall & Leaves Andrew Patton, 2013-04-29 Within these pages are nothing more than my true experiences of love, chases, pursuits, crushes, and fallings. A small little pinch of poems and romantic sayings, ramblings, texts, and notes given, unappreciated, and innocent from a guy who is still currently looking for true love. Love blossoms so beautifully, the seasons the two of you share pass, and memories, trust and feelings should be invested upon, bonded and adhered, but sometimes those seasons pass and some new strange cold winds blow, sweeping whatever love you had...away. Love makes you fall for someone, like a leaf hewing down in slices, sure the swipes can keep it in the air, light and happy, but eventually, sometimes, that leaf hits the ground, and it leaves, love leaves sometimes.
