Salt Hands Jane Chelsea Aragon,1994 In the middle of the night a young girl awakens to a sound, goes outdoors, and discovers a deer with whom she sits quietly and lets him lick salt she has sprinkled on her hands.

Assessing Writing, Teaching Writers Mary Ann Smith,Sherry Swain,2016-12-23 Many writing teachers are searching for a better way to turn student writing into teaching and learning opportunities without being crushed under the weight of student papers. This book introduces a rubric designed by the National Writing Project—the Analytic Writing Continuum (AWC)—that is making its way into classrooms across the country at all grade levels. The authors use sample student writing and multiple classroom scenarios to illustrate how teachers have adapted this flexible tool to meet the needs of their students, including using the AWC to teach revision, give feedback, direct peer-to-peer response groups, and serve as a formative assessment guide. This resource also discusses how to set up a local scoring session and how to use the AWC in professional development. Book Features: Introduces teachers to a powerful assessment system and teaching tool to support student writing achievement. Offers a diagnostic tool for guiding students toward a common understanding of the qualities of good writing. Provides ideas for helping students learn from models and give productive feedback to peers. Illustrates ways to adjust the AWC to various grade levels and different teaching goals.

Spy Cat Peg Kehret,Pete the Cat,2008-06-19 Pete the Cat's second adventure is full of wild antics and mystery-solving fun! A series of burglaries in their quiet community upsets Alex's family, particularly his younger brother Benjie. What would they do if their house were robbed? Pete is confident that he can protect his family, but that doesn't stop the burglars from trying! Luckily, the bad guys are no match for the very protective family cat and Benjie's spy skills.

Craft Moves Stacey Shubitz,2023-10-10 How do you choose mentor texts for your students? How do you mine them for the craft lessons you want your students to learn?In *Craft Moves: Lesson Sets for Teaching Writing with Mentor Texts* , Stacey Shubitz, co-founder of the Two Writing Teachers website, uses twenty recently published picture books to create more than 180 lessons to teach various craft moves that will help your students become better writers.Each of the 184 lessons in the book includes a publisher's summary, a rationale or explanation of the craft move demonstrated in the book, and a procedure that takes teachers and students back into the mentor text to deepen their understanding of the selected craft move. A step-by-step guide demonstrates how to analyze a picture book for multiple craft moves.Shubitz introduces picture

books as teaching tools and offers ways to integrate them into your curriculum and classroom discussions. She then shares different routines and classroom procedures designed to help students focus on their writing during the writer's workshop as well as focusing how teachers can prepare for small group instruction. Using picture books as mentor texts will help your students not only read as writers and write with joy but also become writers who can effectively communicate meaning, structure their writing, write with detail, and give their writing their own unique voice.

A Writer's Notebook Ralph Fletcher,2010-08-24 Tap into your inner writer with this book of practical advice by the bestselling author of *How Writers Work* and the ALA Notable Book *Fig Pudding*. Writers are just like everyone else—except for one big difference. Most people go through life experiencing daily thoughts and feelings, noticing and observing the world around them. But writers record these thoughts and observations. They react. And they need a special place to record those reactions. Perfect for classrooms, *A Writer's Notebook* gives budding writers a place to keep track of all the little things they notice every day. Young writers will love these useful tips for how to use notes and jottings to create stories and poems of their own.

Writing Instruction That Works Arthur N. Applebee, Judith A. Langer,2015-04-25 Backed by solid research, *Writing Instruction That Works* answers the following question: What is writing instruction today and what can it be tomorrow? This up-to-date, comprehensive book identifies areas of concern for the ways that writing is being taught in today's secondary schools. The authors offer far-reaching direction for improving writing instruction that assist both student literacy and subject learning. They provide many examples of successful writing practices in each of the four core academic subjects (English, mathematics, science, and social studies/history), along with guidance for meeting the Common Core standards. The text also includes sections on Technology and the Teaching of Writing and English Language Learners.
