

# In Search Of Duende

**Tracy K. Smith**

**In Search of Duende** Federico García Lorca, 1998 Poems are in Spanish, and in English translation.

Duende Jason Webster, 2010-08-03 Having pursued a conventional enough path through school and university, Jason Webster was all set to enter the world of academe as a profession. But when his aloof Florentine girlfriend of some years dumped him unceremoniously, he found himself at a crossroads. Abandoning the world of libraries and the future he had always imagined for himself, he headed off instead for Spain in search of duende, the intense emotional state - part ecstasy, part desperation - so intrinsic to flamenco. Duende is an account of his years spent in Spain feeding his obsessive interest in flamenco: he subjects himself to the tyranny of his guitar teacher, practising for hours on end until his fingers bleed; he becomes involved in a passionate affair with Lola, a flamenco dancer (and older woman) married to the gun-toting Vicente, only to flee Alicante in fear of his life; in Madrid, he falls in with Gypsies and meets the imperious Jesús. Joining their dislocated, cocaine-fuelled world, stealing cars by night and sleeping away the days in tawdry rooms, he finds himself spiralling self-destructively downwards. It is only when he arrives in Granada bruised and battered, after two years total immersion in the flamenco lifestyle that he is able to put his obsession into context. In the tradition of Laurie Lee's classic *As I Walked Out One Midsummer Morning*, Duende charts a young man's emotional coming of age and offers real insight into the passionate essence of flamenco.

Duende Tracy K. Smith, 2017-09-05 The award-winning second collection by the Poet Laureate of the United States Duende, that dark and elusive force described by Federico García Lorca, is the creative and ecstatic power an artist seeks to channel from within. It can lead the artist toward revelation, but it must also, Lorca says, accept and even serenade the possibility of death. Tracy K. Smith's bold second poetry collection explores history and the intersections of folk traditions, political resistance, and personal survival. Duende gives passionate testament to suppressed cultures, and allows them to sing.

*Hemingway and Lorca* Barbara Scott, 2013-02-07 This fascinating literary work explores the influence of Andalusia's ancient culture and civilization on the works of Ernest Hemingway and Federico García Lorca. Although born on two different continents, these artists both were rooted in the blood and sand of the bullring and the culture of death, which made life that much more rich. They were both poets, and both men were musicians as evidenced by the musicality of the

rhythms of their work. This study explores the cultural and historical influence of Andalusia on the poetry of Federico García Lorca and the prose of Ernest Hemingway, particularly the effects of the region's culture of life and death in their writing. This aspect of Spanish tradition found its greatest voice in bullfighting (toreo), pure gypsy flamenco song, and the creative concept of duende. Even though Lorca and Hemingway were born worlds apart, their works are steeped in a civilization thousands of years old that was molded and shaped by numerous people groups, including the Phoenicians, Carthaginians, Greeks, Iberians, Romans, Vandals, Visigoths, Moors, Berber Muslims, and European Catholics. By examining the works of these two men immersed in the rich heritage of Andalusia as expressed during the early twentieth century, readers can more fully appreciate Hemingway's novel *The Sun Also Rises* and Lorca's poem *Lament for Ignacio Sánchez Mejías*. They are masterpieces—one of prose, the other of poetry—created by two great authors who influenced and changed the writing styles of those who followed them.

*Three Tragedies* Federico García Lorca, 1955 *Yerma* is about a childless married woman who so obsessively wants a child that she will do almost anything. Tragedy ensues.

**Theory and Play of the Duende** Federico García Lorca, 1981

**Selected Letters** Federico García Lorca, 1983 This first English-language edition of Federico Garcia Lorca's *Selected Letters* presents an intimate autobiographical record of the Spanish poet from the age of twenty to a month before his death at the hands of Franco's forces in 1936. I was born for my friends, Lorca wrote to Melchor Fernández Almagro in 1926, and these letters reveal the personality his friends found so magical. (A happiness, a brilliance... Pablo Neruda called him.) Lorca was by turns sympathetic, generous, demanding, whimsical, insecure, and always lyrical. Over the nineteen years covered in this selection, he maintained a correspondence with his closest friends, particularly his childhood companion Melchor Fernández Almagro and his fellow poet Jorge Guillén, and wrote in concentrated bursts to many others. He could be playful with Salvador Dalí's younger sister Ana María; deferential to composer Manuel de Falla; lively and descriptive with his family; and exasperating to Barcelona critic Sebastian Gasch as he poured out literary plans and solicited favors, ever impassioned but good-natured. With their frequent enclosures of poems and scenes from plays, the letters also chronicle Lorca's growth as an artist, from self-doubting romantic dilettante to confident, internationally respected playwright and poet. Begun at Columbia University under the aegis of Lorca's brother, Francisco Garcia Lorca, the translation and selection of these letters has been made by David Gershator, poet, teacher, and co-founder of the Downtown Poets Co-op. Dr. Gershator has also provided an informative biographical introduction.

**Four Major Plays** Federico García Lorca, 1999 In his four last plays (*Blood Wedding*, *Yerma*, *The House of Bernarda Alba*, *Dona Rosita the Spinster*) Federico García Lorca offered his disturbed and disturbing personal vision to Spanish audiences of the 1930s—unready, as he thought them, for the sexual frankness and surreal expression of his more

experimental work. The authentic sense of danger of Lorca's theatre is finely conveyed here in John Edmunds's fluent and rhythmic new translations that lend themselves admirably to performance.

**Duende de Burque** Manuel. González, 2021 At its center, *Duende de Burque* is a love letter to Albuquerque and its surroundings--the Sandia Mountains, the Rio Grande Bosque, and all the people whose spirits fill these spaces. It is an exploration of one poet's search for *duende*, that elusive state of spontaneous expression and authenticity. With a debut in local poetry slam, Manuel González has honed his craft on the stage and on the page for the past twenty years. He has represented Burque several times on the national slam scene, hosted countless slams for people of all ages, and worked to help adults and youths discover the power of self-expression. In this collection, González writes about his beginnings as a poet and his work as the third Albuquerque Poet Laureate. He writes about what inspires him and how he works to inspire others and to craft poems that do the same. In his core is Burque--his heart, his *sangre*, and the home of his ancestors.

**The Public and Play Without a Title** Federico García Lorca, 1983 Federico Garcia Lorca called *The Public* the best thing I've written for the theater. Yet, he acknowledged, this is for the theater years from now. Now, half a century later, *The Public* and another of Lorca's most daring works, *Play without a Title*, are available in English translation for the first time. Surrealism, folk theater, poetry, vivid costumes, black humor--in the *The Public*, dramatic traditions are ransacked to develop themes as timely in the 1980s as they were taboo when Lorca was writing: if Romeo were a man of thirty and Juliet a boy of fifteen, would their passion be any less authentic? No, says a young observer of the play within the play, I who climb the mountain twice each day and, when I finish studying, tend an enormous herd of bulls that I've got to struggle with and overpower at every instant, I don't have time to think about whether Juliet's a man or a woman or a child, but only to observe that I like her with such a joyous desire. In both *The Public* and *Play without a Title*, the player himself is of as much consequence as the role he plays. The fierce, stark *Play without a Title*, with its cast of Author, Prompter, Stagehand in the wings, and hecklers in the gallery, clearly heralds developments in today's avant-garde theater. It also reflects the violence of the times in which it was written. As Carlos Bauer notes in his introduction, neither of the plays in this volume was complete in 1936, when Lorca was assassinated by Franco's forces. Still, both have here the unity and grace of finished tours de force.

*In the Green Morning* Francisco García Lorca, 1986 Memoir by the poet's brother.--Misha Schutt.

**In Search of Soul** Alejandro Nava, 2017-09-12 *In Search of Soul* explores the meaning of "soul" in sacred and profane incarnations, from its biblical origins to its central place in the rich traditions of black and Latin history. Surveying the work of writers, artists, poets, musicians, philosophers and theologians, Alejandro Nava shows how their understandings of the "soul" revolve around narratives of justice, liberation, and spiritual redemption. He contends that biblical traditions and hip-hop emerged out of experiences of dispossession and oppression. Whether born in the ghettos of America or of the Roman Empire, hip-hop and Christianity have endured by giving voice to the persecuted. This book offers a view of soul in living

color, as a breathing, suffering, dreaming thing.

**The Selected Poems of Federico García Lorca** Federico García Lorca, 2005 The landmark poetry of Federico García Lorca in a bilingual edition and introduced by Pulitzer Prize winner W. S. Merwin.

**Five Plays; Comedies and Tragicomedies** Federico García Lorca, 1963 Two additional comedies, published here in book form in English for the first time, are *The Billy-Club Puppets* -- a guignol-type farce with delicate wit; and *The Butterfly's Evil Spell*, an insect comedy about a beetle-poet who aspires to be a butterfly.

*The Cricket Sings* Federico García Lorca, 1980 A selection of the poems and songs Federico Garcia Lorca wrote especially for children, presented together with the Spanish texts.

**Deep Song and Other Prose** Federico García Lorca, 1983-01-31

The Duende History of The Shadow Magazine Will Murray, Walter Brown Gibson, Robert Sampson, Theodore Tinsley, 1980

*Apocryphal Lorca* Jonathan Mayhew, 2009-08-01 Federico García Lorca (1898-1936) had enormous impact on the generation of American poets who came of age during the cold war, from Robert Duncan and Allen Ginsberg to Robert Creeley and Jerome Rothenberg. In large numbers, these poets have not only translated his works, but written imitations, parodies, and pastiches—along with essays and critical reviews. Jonathan Mayhew's *Apocryphal Lorca* is an exploration of the afterlife of this legendary Spanish writer in the poetic culture of the United States. The book examines how Lorca in English translation has become a specifically American poet, adapted to American cultural and ideological desiderata—one that bears little resemblance to the original corpus, or even to Lorca's Spanish legacy. As Mayhew assesses Lorca's considerable influence on the American literary scene of the latter half of the twentieth century, he uncovers fundamental truths about contemporary poetry, the uses and abuses of translation, and Lorca himself.

**The Sister from Below** Naomi Ruth Lowinsky, 2009 Who is She, this Sister from Below? She's certainly not about the ordinary business of life: work, shopping, making dinner. She speaks from other realms. If you'll allow, She'll whisper in your ear, lead your thoughts astray, fill you with strange yearnings, get you hot and bothered, send you off on some wild goose chase of a daydream, eat up hours of your time. She's a siren, a seductress, a shapeshifter . . . Why listen to such a troublemaker? Because She is essential to the creative process: She holds the keys to the doors of our imaginations and deeper life the evolution of Soul.

Selected Poems Federico García Lorca, 2007 Federico Garcia Lorca is perhaps the most celebrated of all twentieth-century Spanish writers, known not only for his plays but also for several collections of poems published both in his short lifetime and after. Lorca's poetry is steeped in the land, climate, and folklore of his native Andalusia, though he writes memorably of New York and Cuba too. Writing often in modernist idiom, and full of startling imagery, he evokes a world of intense feelings, silent suffering, and dangerous love. This unique parallel-text edition balances poems from Lorca's early

collections with his better-known later work, providing a clear vision of his poetic development and drawing attention to the brilliance and originality of some of the earlier work. Key poems from all Lorca's collections appear here, including the recently discovered Sonnets of Dark Love. Martin Sorrell's translations are thoughtful and accomplished, and D. Gareth Walters's shrewd Introduction, with its distinctive focus on the achievements of the poet, gives a clear and balanced appraisal of the poetry, while steering away from the tendency to mythologize Lorca's life and death. This edition also includes helpful notes, a bibliography, a chronology, and an index of titles.
